COURSE OVERVIEW:

The achievements of implantology continue to transform dentistry. As the routine restorative treatments become common place, the momentum shifts to restoring with aesthetic excellence and minimal treatment time. Unfortunately, patients with complex cases might be faced with lengthy time in treatment. Ideal treatment planning is one of the greatest struggles with any restorative case.

In just one evening, participants will discover tools which will allow them more predictable results every time and gain knowledge in the following:

- Application of implant technology to aesthetic excellence
- Efficient treatment planning anterior implants
- The latest techniques in tissue grafting
“PRP – Platelet Rich Plasma” and “AlloDerm”
- An alternative implant system to achieving a more predictable esthetic results with ease to the restorative dentist.
- Contour abutments and new snap-on impression caps to provide an easier method for creating restorations.
- Fixture-level and abutment-level impressions with various restorative options including the Zirconia Contour Abutment, as well as immediate temporization with a One-Piece Implant

PERIODONTIST

Dr. Jaime Lozada

Dr. Lozada is a professor and director of the Graduate Program in Implant Dentistry at Loma Linda University, School of Dentistry. He completed his three year residency in implant dentistry in 1987 and his graduate prosthodontics certificate in 1995 both at Loma Linda University. Dr. Lozada has been instrumental in training residents and fellows in the latest techniques in oral implant surgery and prosthodontics at the Center for Implant Dentistry at Loma Linda University School of Dentistry.

Dr. Lozada is an active member of the Academy of Osseointegration, a Fellow with the American Academy of Implant Dentistry, a Diplomate of the American Board of Implant Dentistry, a member of the Editorial Board of the Journal of Oral Implantology and member of other Prosthodontic and Implant Organizations.

Dr. Lozada has published and lectured nationally and internationally on implant dentistry. He maintains an intramural private practice limited to Implant Surgery and Prosthodontics.

Dr. Al Manesh

Dr. Al Manesh, D.M.D., received his dental degree from Oregon Health Sciences University in Portland in 1993. Upon graduation he moved to Brooklyn, New York, where he completed a General Practice Residency at Lutheran Medical Center.

After 1 short year, Dr. Manesh decided to hone his interest of Periodontics and attended Louisiana State University Medical Center, School of Dentistry, specializing in Periodontics, graduating in 1998. Dr. Manesh has been an associate with South Coast Dental Specialties, since 2001 practicing Periodontics and Implant dentistry until early 2007 when he founded Mission Dental Implant Center in Mission Viejo, Ca.

Dr. Manesh is an active member of American Academy of Implant Dentistry, A Fellow, International Congress of Oral Implantologists, American Academy of Periodontology, Academy of Osseointegration, American Dental Association, and Orange County Dental Society.

Please Contact our office as soon as possible to confirm your attendance. If you have any questions, please do not hesitate to contact us.
